

RAD BASIC SELF DEFENSE INSTRUCTOR CERTIFICATION

All participants will be certified (upon successful completion) to teach the R.A.D. System of Basic Self Defense for Women. This intense 3 day, 30 hour instructor program is a cost effective way to obtain your own self defense instructor(s), and offer this structured, proactive self defense program to women in your community. This is the most comprehensive program of its kind, and now your agency can utilize its basic, tailored format as part of its overall crime prevention / community policing partnership package. Our instructor program is dynamic in every way and will challenge every participant. The course is taught in a relaxed environment that is conducive to learning tested instructional technique, proven tactics and unique insight about the problem of violence against women. Our program also includes physical defense workouts for technique development and an evening exercise that is designed to stimulate confrontational circumstances. From awareness and risk reduction to simulation training suits, this program covers it all!
